

RPC X-Country Endorsement

An RPC Cross Country Endorsement is the next step in your aviation journey following on from the RPC. This endorsement will give you much more freedom when flying.

The RPC Navigation Endorsement allows you to fly pilot in command of a RA-Aus registered aeroplane (600kg maximum take-off weight or less) anywhere in Australia outside of controlled airspace.

Cross Country Syllabus

8 hours ground theory	\$440
15 hours flying training	\$4,455

- 10 hours of dual cross country navigation training
- 2 hours of solo cross country navigation
- Aviation Security ID card (ASIC)
- Be able to hold a Class 2 Medical certificate

Why Sunshine Coast Aero Club?

Sunshine Coast Aero Club is the only RA-Aus school that operates out of the Sunshine Coast Airport (Class D airspace). This allows our students and club members to get exposure to controlled aerodrome and airspace procedures making future licences easier to obtain if the student is to progress beyond recreational flying. Our syllabus goes above and beyond the minimum hours required for the cross country endorsement to give a more realistic number of hours it takes for the average student to obtain their Cross Country Endorsement.
