

Student Pilot Starter Kit

The best way to get your start into aviation at Sunshine Coast Aero Club is the Student Pilot Starter Kit (SPSK). The Starter Kit will equip you with all the tools required to start flying training. No previous flying experience is required and there is no minimum age to begin flying training!

The Starter Kit can be purchased online at sunshinecoastaeroclub.com.au/store/student-pilot-starter-kit/ OR when you come along for your first lesson.

After your first 2 hours of flying training the flight training will be \$297/hr paid after each flight.

If you would like more information about the starter kit OR you would like to make a booking please call us on **(07) 5448 8458**

Why Sunshine Coast Aero Club?

Sunshine Coast Aero Club is the only RA-Aus school that operates out of the Sunshine Coast Airport (Class D airspace). This allows our students and club members to get exposure to controlled aerodrome and airspace procedures making future licences easier to obtain if the student is to progress beyond recreational flying. Our syllabus goes above and beyond the minimum hours required to give a more realistic number of hours it takes for the average student to obtain their Pilot Certificate at a very competitive rate.
